## Bauhaus Ceiling Light

*SUNWHITE*<sup>®</sup> Technology

Connecting people with nature like sunlight  
Adjusting the CCT & Brightness as prefer  
Smart Control system (Traic / APP)

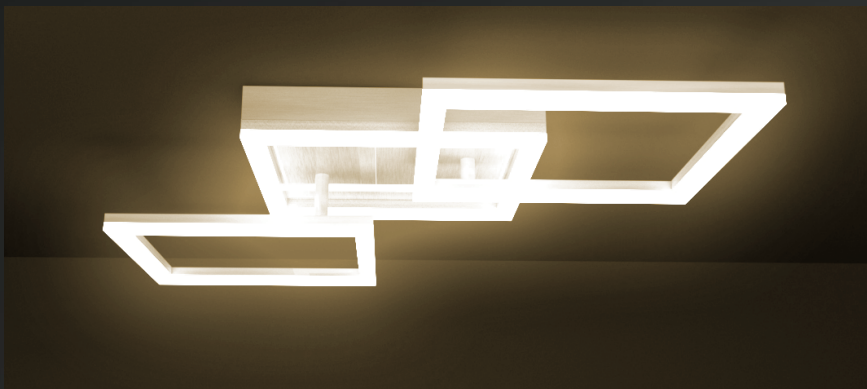

[www.civilight.de](http://www.civilight.de)

## Bauhaus Design

Simple but classic design

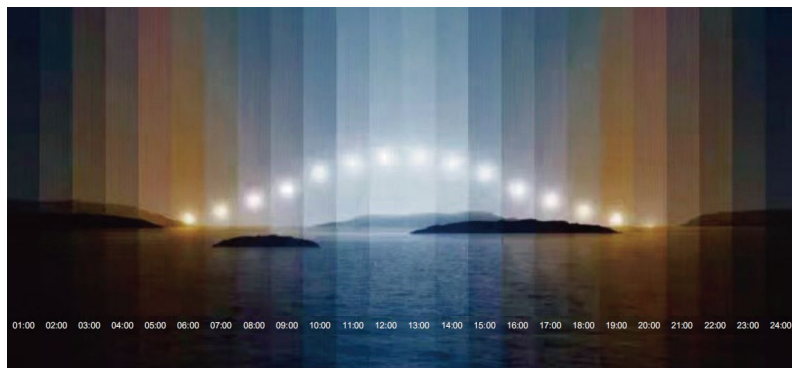

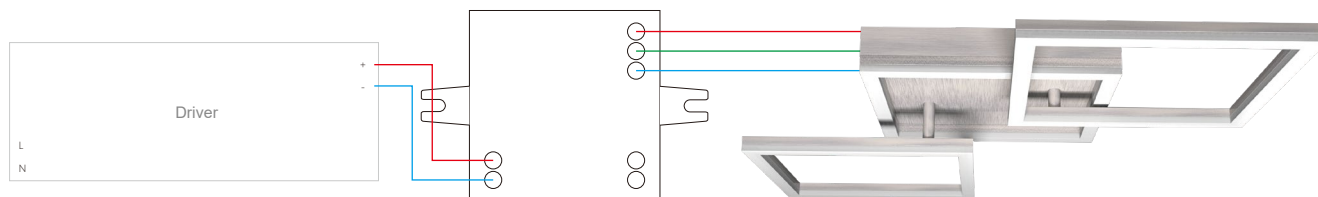

We are thinking more design element optional for different space with better light effect.

Our thinking of innovative designing is according to the light appearance, the optics, the working environment and the end user's prefer CCT and Brightness for more optional, it's one of your best choice light.

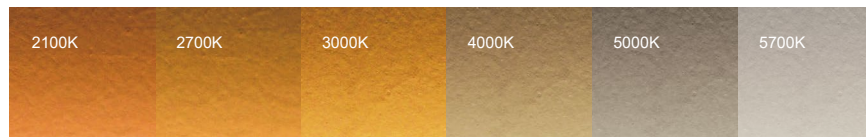

## SUNWHITE® Technology

Connecting people with nature like sunlight with healthy light

### SUNWHITE® Design Goals:

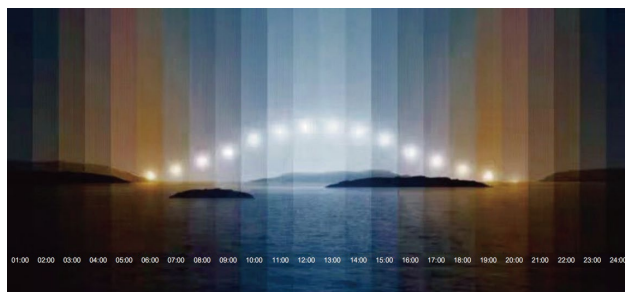

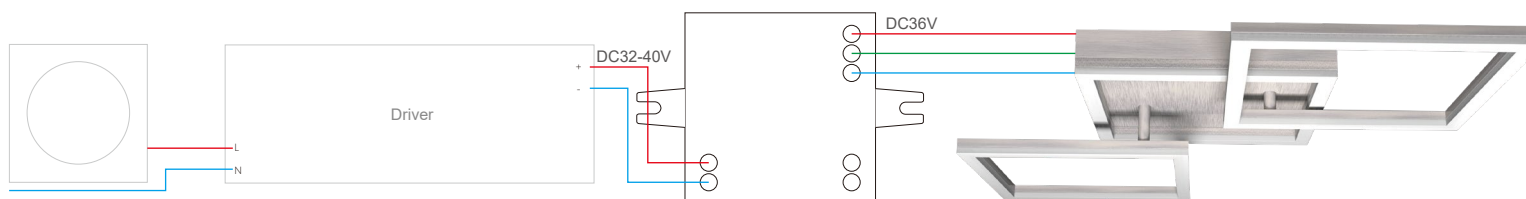

To accomplish the natural sunshine from day to night.  
CCT choosing by users, all colour light is on black body line that restoring the light from the nature  
Reduce inventory due to different colour temperatures

## SUNWHITE & with triac dimmalbe

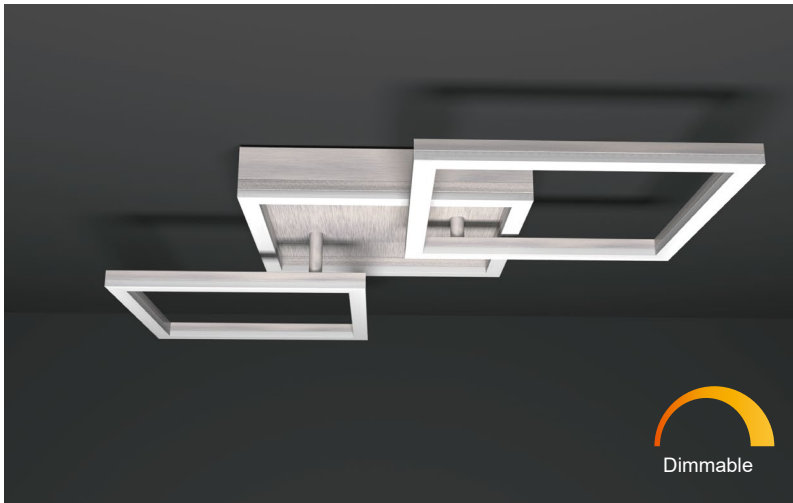

Choosing the CCT & Brightness as prefer

When the brightness turn to 20%, Can achieving dim to Warm function.  
When the Brightness turn to less than 20%, it changes to SUNWHITE technology system ,  
and changing the CCT as sunrise and sunset automatic in a day.

## Bauhaus Specification

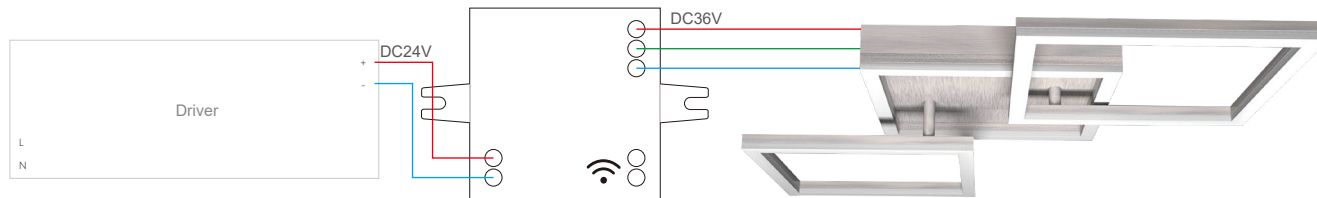

SUNWHITE with triac dimmalbe

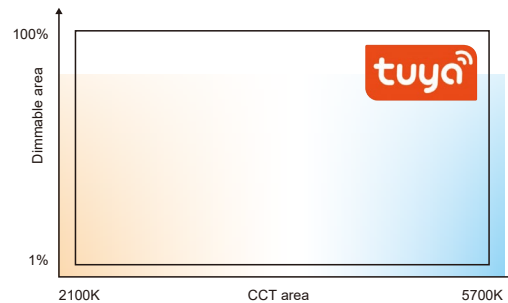

Part No.	■ CTMB5445RN- 90025
Wattge	■ 45W
Voltage	■ AC200-240V
Current	■ 205mA
Dimmable	■ Dim to Warm
Dimmer type	■ Triac
CCT	■ 2100K~5000K
CRI	■ 95
Lumens	■ 3600lm (2700K)
Colour	■ Satin Nickel
Dimmension	■ 910* 425* 105mm (Maximum)
Life Span(hrs)	■ 5 year

## WIFI with (APP) -Model No.

Setting the CCT & Brightness as nature sunlight as healthy automatic  
Adjusting the CCT & Brightness by user as prefer at the same time  
Smart control by APP, both local and long-distance remote control

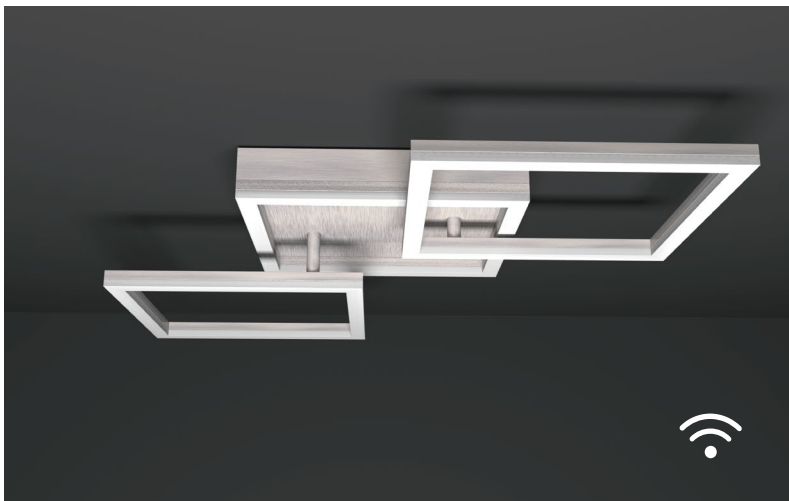

Adjusting the CCT & Brightness by APP(tuya) directly

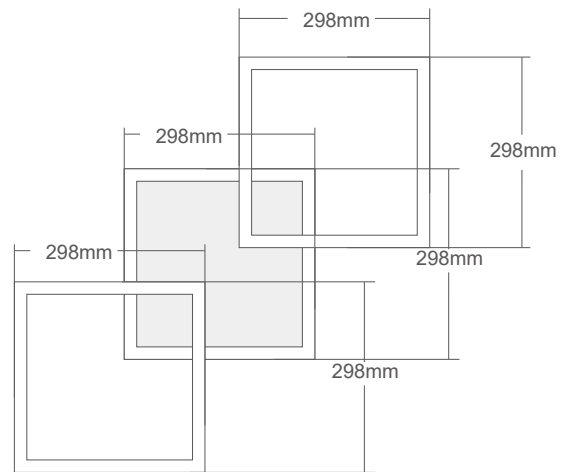

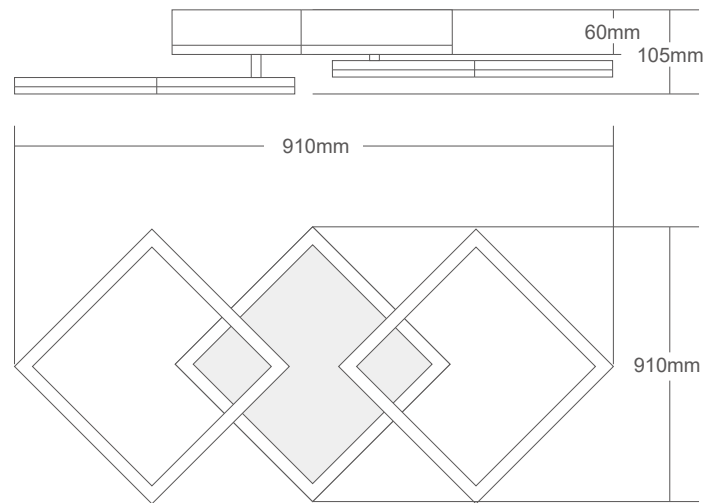

## Bauhaus Specification

With (APP)+Conroller

Part No.	■ CTMB5445WN- 90035
Wattge	■ 45W
Voltage	■ AC200-240V
Current	■ 275mA
Dimmable	■ Yes
Dimmer type	■ WIFI
CCT	■ 2100K~5000K
CRI	■ 3600lm (2700K)
Lumens	■ 95
Colour	■ Satin Nickel
Dimmension	■ 910* 425* 105mm (Maximum)
Life Span(hrs)	■ 5 year

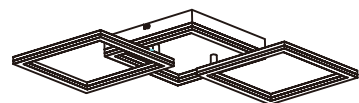

## Product Dimension

## Installation

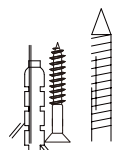

Tools

1x

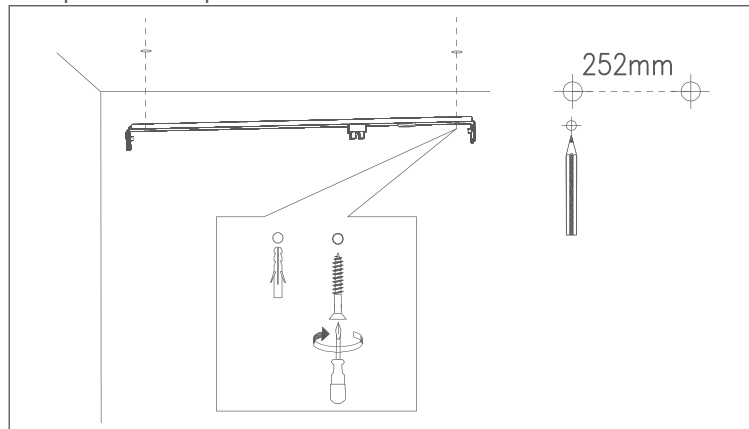

2x

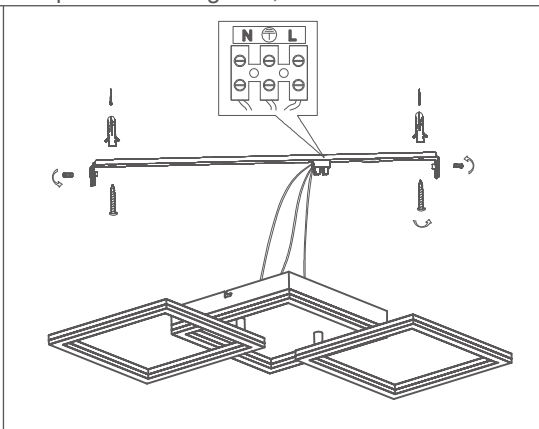

3x

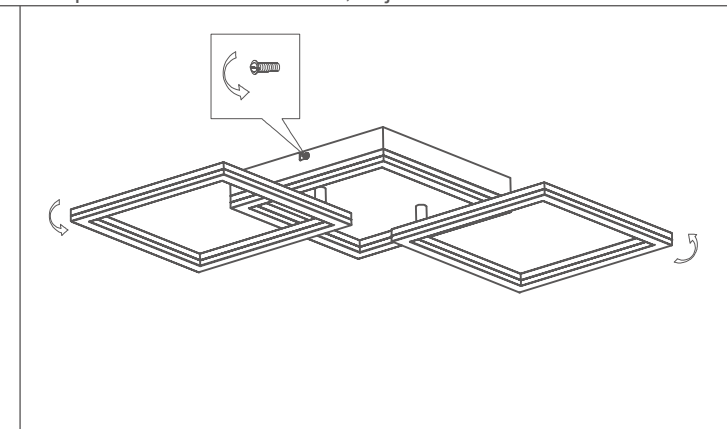

Step1: Line and punch

Step2: Connecting wire, fix the screws

Step3: Fix the holder's screws, adjust and check

## Application

Bauhaus, enjoy the nature light
